

## **Terms & Conditions**

These Terms of Use are drafted in conformity with the Information Technology (Intermediaries Guidelines) Rules, 2011 specified under the Information Technology Act, 2000 in order to regulate the terms and conditions of usage and access to Website (defined hereinafter) and App (defined hereinafter) and the Services (defined hereinafter). No physical or digital signature, acceptance is necessitated in order to validate this Terms.

Svobodha Infinity Investment Advisors Private Limited (hereinafter referred to as "Company", "Savart", "we", "us" or "our") is engaged into Investment Advisory Services, Portfolio Management Services and focuses in bringing people close to the market and making it simple and affordable to invest. Savart is a SEBI Registered Investment Adviser & PMS.

Please read these Terms and Conditions ("Terms") carefully before using the "Website", [www.savart.com](http://www.savart.com) and Savart mobile application ("App"), collectively referred as "Platform". Savart would offer investment advisory services ("Advisory Service") referred as the "Service" or "Services").

Your ("you", "your", "yourself", "client" or "user") access to and use of the Service is conditioned on your acceptance of and compliance with these Terms. These Terms apply to all visitors, users, legal entities and others who access or use the Service. You acknowledge that you have read, understood and agree to be bound by these Terms and the Privacy Policy ("Policies") available at the homepage of the Website.

We reserve the right, at our sole discretion, to change, modify, add or remove portions of the Policies, at any time without any prior written notice to you. It is your duty to periodically review these Policies for applicable changes. Your use of the Services even after posting changes to these Policies by us constitutes your acceptance to those changes.

These Terms constitute the entire agreement between the Company and you with respect to the subject matter of these Terms.

By signing up on our website and/or Mobile Application (Mobile App), accessing or using the Service, you agree to be bound by these Terms. If you disagree with any part of the terms, then you must not access the Service.

### **Terms and Conditions for Client**

#### **1. Accounts**

In order to use the Services, you might be required to provide certain information including but not limited to your name, age, gender, marital status etc. to open an Account ("Account") with us. While creating such Account, you must provide us information that is accurate, complete, and current at all times. Failure to do so constitutes a breach of the Terms, which may result in immediate termination of your Account on our Service, and the Company reserves the right to deny any and all current or future use of the Services.

Either some or all of the following details and documents may be required for the purpose of enrolment and using the Services of Savart:

- Pan Card details
- Address Proof
- Signature
- Bank Account Details
- Bank Account proof
- KYC proof

It is your sole duty to keep your account and password secure and confidential, and you are also responsible for safeguarding access to your mobile or other electronic devices that you use to access the Service and for any activities or actions under your mobile device or other electronic devices. You shall be held responsible for any losses incurred by Savart or any third-party user due to unauthorized use of your Account which is a consequence of the user's inability to secure his / her Account and password.

## **2. Goals, Investment Tools and Model Predictions**

Savart shows a selection of various goals (“Goals”), their strategy to help achieve these Goals. The prices for these Goals now or in future could potentially change materially from the prices shown on the Platform and Savart does not undertake that the saving strategy, if followed, would result in saving sufficient funds to achieve these Goals.

Savart also does not undertake actual purchase of these Goals on behalf of Users. A User would have to undertake the achievement of these Goals on his/her own. Savart does not guarantee availability of these products and/or at the cost mentioned by Savart.

Although Savart carefully evaluates potential returns based on historic performance, Savart makes no representation regarding the likelihood or probability that any actual or proposed account allocation will in fact achieve a particular investment outcome or Goal.

Past performance is not a guarantee of future success, and in fact volatility means that returns in any period may be far above or below those of previous period. Savart is unable to predict or forecast market fluctuations or other uncertainties that may affect the value of any investment. While we suggest portfolio with the aim of providing helpful investing guidance, as a self-directed investor, you must carefully consider the appropriateness of the proposed investments in light of your own personal financial circumstances, including cash flow needs, tax circumstances, or other complex or subjective concerns. You are urged to use all available resources to educate yourself about investing in general, as well as the investments and the overall composition of your Savart Account.

Additionally, you acknowledge that market conditions and your personal financial circumstances may change from time to time – perhaps suddenly or maybe gradually over time. Monitoring and adjusting your Savart Account to suit changing circumstances is solely your responsibility, and it is recommended that you reassess any investing program on a regular basis to ensure that it remains consistent with your current financial resources and investment objectives.

You acknowledge that Savart advises you with regard to different investment schemes and products. Investing in such schemes and products is completely your independent choice and Savart shall not be liable, in any manner, for your investment decisions.

Savart uses third party sources for part of the data displayed on the Platform or for doing the analysis based on which User is displayed ratings or saving strategies. We do not undertake that all this third-party data is accurate and free of errors, and we have undertaken sufficient checks to ensure the quality of the data. If the underlying third-party data is inaccurate then the displayed data and/or analysis might be materially different from the case when the data is inaccurate.

### **3. Payment Terms**

In lieu of the Services availed by you through Savart, Savart reserves the right to charge certain fees that shall be communicated to you from time to time during each transaction as mentioned herein below.

The detailed terms and conditions of the subscriptions shall be available in the Savart+ section during subscription through the dashboard. Please refer to these before making the purchase.

Online payment of fees can be made by credit, debit card and net banking facility. These payments are not collected by Savart directly but by the bank/payment gateway. The online payment system is provided by Savart and its third-party supplier/s. Savart reserves the right to change the fees at any time. We cannot accept liability for a payment not reaching Savart account due to you quoting an incorrect account number or incorrect personal details or any payment errors. Neither can we accept liability if payment is refused or declined by the credit/debit card supplier for any reason.

If the card supplier declines payment, Savart has the right but no obligation to bring the fact to your attention. You should check with your bank / credit / debit card supplier that payment has been deducted from your account.

Savart shall not be liable for any failure by the user making payment of fees to properly protect data from being seen on their screen by other persons or otherwise, obtained by such persons, during the online payment process or in respect of any omission to provide accurate information during the online payment process.

Savart does not store or keep credit card / debit card data in a location that is accessible via the Internet. Once a credit card / debit card transaction has been completed, all credit card/debit card data is moved off-line only to ensure that the credit card / debit card information received is not accessible to anyone after completion of the on-line transaction and to ensure the maximum security. Savart uses the maximum care as is possible to ensure that all or any data / information in respect of electronic transfer of money does not fall into the wrong hands.

Savart shall not be liable for any loss or damage sustained by reason of any disclosure (inadvertent or otherwise) of any information concerning the user's account and / or information relating to or regarding online transactions using credit cards / debit cards and / or their verification process and particulars nor for any error, omission or inaccuracy with respect to any information so disclosed and used whether or not in pursuance of a legal process or otherwise.

Savart does not have any partnership or any other arrangement with any third-party brokers to provide any services. Savart relies on publicly available APIs to provide its services and does not engage in any exchange of technology or services with third party brokers. Any user information shared with any third-party broker, which is not relevant to the business carried out or the services provided by Savart, will not be stored by Savart, and as such, Savart undertakes no liability for any such information.

#### **4. Rating of Investment Schemes**

Savart undertakes rating of various investment schemes through its own proprietary methodology on a quarterly basis. These ratings are generally displayed to Users as star ratings along with respective investment scheme names in the Platform and are provided for general User guidance on historic performance. These ratings take into account historic performance, volatility of historic returns along with the size of investment schemes historically.

Savart undertakes that the investment scheme rating is not influenced by any compensation received/likely to be received by Savart from any third party.

As Savart ratings are based on past performance and analysis by our analysts & automated research engines. Users should note that the ratings do not guarantee future performance or risk, and User should independently evaluate these schemes. Savart makes no representation regarding the likelihood or probability that any actual or proposed investment in these investment schemes will in fact achieve a particular investment outcome or goal. Savart also does not undertake to continue with the ratings in future.

#### **5. License to the Platform/Services**
